

## **Speech #1**

Some people say that we are fighting for our future.

But that is not true.

We are not fighting for our future,  
we are fighting for everyone's future.

And since our time is running out,  
we have decided to take action.

We have started to clean up your mess  
and we will not stop until we are done.

The people will rise to the challenge.

And since our leaders are behaving like children  
we will have to take the responsibility  
they should have taken long ago.

## **Speech #2**

You are not mature enough to tell it like it is.

Even that burden you leave to us children.

How dare you!

You are failing us.

But the young people are starting to understand your betrayal.

The eyes of all future generations are upon you.

And if you choose to fail us, I say: We will never forgive you.

Right here, right now is where we draw the line.

The world is waking up.

And change is coming, whether you like it or not.

### **Optional speech #3 at the end**

The one thing we need more than hope is action.  
Once we start to act, hope is everywhere.  
Everything needs to change, and it has to start today.  
Thank you.
