IF YOU'RE OUT THERE - SATB

If You're Out There

**We've been looking for a song to sing
We searched for a melody searched for someone to lead
We've been looking for the world to change
If you feel the same then go on and say:**

**"If you're out there, sing along with me, if you're out there
I'm dying to believe – that you're out there
Stand up and say it loud, if you're out there."**

**Tomorrow's starting now – Now – Now
No more broken promises – no more call to war
Unless it's love and peace that – we're really fighting for**

**We can destroy hunger – we can conquer hate
Put down the arms and raise your voice – we're joining hands today**

**I was looking for a song to sing
I searched for a leader but the leader was me
We were looking for the world to change
We can be heroes, just go on and say:**

**"If you're out there, sing along with me, if you're out there
I'm dying to believe – that you're out there
Stand up and say it loud, if you're out there."**

**Oh – oh – oh! if you're out there – Are you ready now?
Say it loud! Scream it out! If you're out there –
sing along with me. If you're out there –
I'm dying to believe – that you're out there
Stand up and say it loud, if you're out there.**

**Tomorrow's starting now – if you're out there –
If you're out there – If you're out there –
If you're out there – If you're out there - - -!**
